

1

A diagram featuring three labeled points and three intersecting black curves. Point 1 is a dark grey circle at the top center. Point 2 is a dark grey circle to the right of the center. Point 3 is a dark grey circle to the left of the center. Three thick black curves intersect: one curve passes through point 1 and curves downwards and to the left; another curve passes through point 2 and curves downwards and to the left, crossing the first curve; a third curve passes through point 3 and curves downwards and to the right, crossing the other two curves.
